HOW DOES IT WORK?

- ♦ You must enroll in the "PAY IT FORWARD" Program and either have or open a checking account with BCB.
- Vour organization will be designated with a unique identifying number.
- Once the account is established, your organization needs a minimum of twenty members/supporters to be eligible for the "PAY IT FORWARD" Program.

- Members and/or supporters will be required to complete an enrollment form and identify your non-profit as their organization of choice – it's that simple.
- They must also identify which of their accounts they want linked to support your non-profit organization.
